Bryan Tollefson (to All - Entire Audience): 1:22 PM: I would recommend asking people to write them down so they don't forget. Many just go with the moment.  
Astrid Liden (to All - Entire Audience): 1:22 PM: Good suggestion, Bryan!  
Andy Albee (to All - Entire Audience): 1:23 PM: hi  
Brad Hasskamp (to All - Entire Audience): 1:23 PM: Hi, Andy!  
Andy Albee (to All - Entire Audience): 1:24 PM: Hows Karla?  
Todd Wagner (to All - Entire Audience): 1:27 PM: Just some general sharing about how online working is going.  
Todd Wagner (to All - Entire Audience): 1:28 PM: I called in by phone and appear to be connected  
Susan Wetenkamp-Brandt (to All - Entire Audience): 1:30 PM: Can you hear me OK?

Pat Canby (to All - Entire Audience): 1:30 PM: Am I on? Pat Canby  
Susan Wetenkamp-Brandt (to All - Entire Audience): 1:30 PM: OK, thanks!  
Pat Canby (to All - Entire Audience): 1:31 PM: Can someone tell me if I'm on? I can't hear anything.  
Jen Hart (to All - Entire Audience): 1:32 PM: I cant hear anything  
Susan Wetenkamp-Brandt (to All - Entire Audience): 1:32 PM: I can hear OK - if you can't hear, please check that your audio isn't muted on your computer or headset.  
Pat Canby (to All - Entire Audience): 1:32 PM: No

jill rivard (to All - Entire Audience): 1:40 PM: can Cherie resend the email?  
Brad Hasskamp (to All - Entire Audience): 1:41 PM: Jill, did you or your staff not get the email Tuesday?  
Susan Wetenkamp-Brandt (to All - Entire Audience): 1:42 PM: The group now has 197 members!  
Margo Hernandez Rainwater (to All - Entire Audience): 1:45 PM: Any participants out there who would like to start a Correctional Facility thread?  
Patsy Egan (to All - Entire Audience): 1:45 PM: ATLAS is happy to assist - let us know if you have any trouble with the COVID 19 group or posting.  
Brad Hasskamp (to All - Entire Audience): 1:45 PM: Good suggestion, Margo!  
Patsy Egan (to All - Entire Audience): 1:46 PM: Virtual conference on May 8 is going to be a great opportunity around CCRS leadership. Join us, registration up already!  
Abby Roza (to All - Entire Audience): 1:47 PM: With the Covid schoology group, is there a way to set the notifications to come in a daily digest or similar? So many notification emails... is the option only on or off?  
Laura Malott (to All - Entire Audience): 1:47 PM: Thank you everyone for sharing resources  
Jason Sellars (to All - Entire Audience): 1:48 PM: The re-licensure webinars will be very helpful to teaching staff--thank you!  
Patsy Egan (to All - Entire Audience): 1:48 PM: Jason, is there a pressing re-licensure need in your program? Do let us know!  
Jason Sellars (to All - Entire Audience): 1:50 PM: I think the EL, Mental Health, suicide awareness, and reading pieces will be great.  
Amanda Tall (to All - Entire Audience): 1:51 PM: I attended last week, and agree that it was very good.  
Brad Hasskamp (to All - Entire Audience): 1:52 PM: Great suggestion, Susan!  
Mag Patridge (to All - Entire Audience): 1:53 PM: So if its in Schoology it might be approved? That would count as a LMS?  
Astrid Liden (to All - Entire Audience): 1:54 PM: Yes, Schoology is considered an LMS  
Susan Wetenkamp-Brandt (to All - Entire Audience): 1:54 PM: Maybe! We would need it to meet are
normal requirements - standards alignment documented, proxy hour awards documented, etc. But we
would at least take a look.

Susan Wetenkamp-Brandt (to All - Entire Audience): 1:55 PM: Ugh -"our" not "are"
ADAM KIEFFER (to All - Entire Audience): 1:56 PM: Thank you! :)

theresa zingery (to All - Entire Audience): 1:57 PM: Remember Community Ed in general when
contacting legislators!

Tom Cytron-Hysom (to All - Entire Audience): 2:04 PM: Jodi, is that the correct start date for A1?
Brad Hasskamp (to All - Entire Audience): 2:06 PM: Tom, good question. There are different proposals
for what the adjusted period should be: March 14-March 13 or March 15-14

Jodi Versaw (to All - Entire Audience): 2:06 PM: Tom, there is some uncertainty still whether it will be
March 13 - March 14, or March 14 - March 15.

Tom, there is some uncertainty still whether it will be March 13 - March 14, or March 14 - March 15.

Shane Mueller (to All - Entire Audience): 2:06 PM: Thank you for the clarification and addressing this,
Julie!

Mag Patridge (to All - Entire Audience): 2:07 PM: Do the Transitions plan changes need approval?
Laura Malott (to All - Entire Audience): 2:08 PM: Thanks for clarifying

Susan Wetenkamp-Brandt (to All - Entire Audience): 2:10 PM: Yes, questions and then sharing
Astrid Liden (to All - Entire Audience): 2:11 PM: Please chat in your questions here or raise your hand.
Shari Brunes (to All - Entire Audience): 2:12 PM: Tom, could you send out a link to that DL program
filtering tool you mentioned that's on the website?

Andy Albee (to All - Entire Audience): 2:12 PM: How will the GED testing centers being closed effect
the MNGED30 account? Will students who already registered and canceled have those funds held in
case

Andy Albee (to All - Entire Audience): 2:13 PM: Its me (Andy)
Mark Erickson (to All - Entire Audience): 2:13 PM: Please tell us again where to register for the GED
Webinar next Tuesday. Thank you , mark E.

Susan Wetenkamp-Brandt (to All - Entire Audience): 2:13 PM: Shari, it's the DL website: http://mnabe-
distancelearning.org/other-platforms
Shari Brunes (to All - Entire Audience): 2:13 PM: Got it! Thanks, Susan.

Chrysti Sander (to All - Entire Audience): 2:14 PM: Yes, can you please put the link to the GED
webinar in the chat?

Julie Fietek (to All - Entire Audience): 2:14 PM: DL program filter has not been working for us... anyone
else, or ideas?
Seyou Nurie (to All - Entire Audience): 2:15 PM: Table A1 Start date ? is it March 13 or 14

Susan Wetenkamp-Brandt (to All - Entire Audience): 2:15 PM: Julie - can you explain what's not
working?

Astrid Liden (to All - Entire Audience): 2:15 PM: GED webinar registration: https://register.gotowebinar.com/register/8697857561511340811

Chrysti Sander (to All - Entire Audience): 2:15 PM: Thanks Astrid!
Carol Nowak (to All - Entire Audience): 2:16 PM: My District is not subscribed to Zoom. I much prefer it
to Google Meets with web page access and the whiteboard features. Any chance of a statewide Zoo
access for ABE?

Andy Albee (to All - Entire Audience): 2:16 PM: Good Question Carol

See Moua-Leske (to All - Entire Audience): 2:18 PM: Carol, right now, free Zoom has lifted some of it's
limits so you can use Zoom for free.

Roz Johnson (to All - Entire Audience): 2:18 PM: The free Zoom option provides 40 minutes.
Traci Pederson (to All - Entire Audience): 2:18 PM: Carol Zoom is free as of now! take advantage.

See Moua-Leske (to All - Entire Audience): 2:18 PM: Carol, otherwise you can get a Star ID from your
local college and you can get access to Zoom through the MN State system.

Angela Schak (to All - Entire Audience): 2:18 PM: students get an email from Pearson Vue with
rescheduling instructions as soon as you call in to close your site
Roz Johnson (to All - Entire Audience): 2:19 PM: oops....40 minutes per instruction period
Carol Nowak (to All - Entire Audience): 2:19 PM: Thanks, See! I will try that with SE State!
Chris Dahlke (to All - Entire Audience): 2:19 PM: I believe the 40 minute limit is not being enforced right now.

Kristine Kelly (to All - Entire Audience): 2:19 PM: the 40 minute limit has been removed for the moment

Caroline Nerhus (to All - Entire Audience): 2:19 PM: A hypothetical question that a teacher wanted me to ask: What happens if they "run out of work to do" during this time? (Meaning, they can't reach the hours they are due in their contract/work assignment

Lindsey Cermak (to All - Entire Audience): 2:20 PM: The 40-minute limit is not enforced but there is a place where you have to register as k-12 school for limit to be lifted

Roz Johnson (to All - Entire Audience): 2:20 PM: What are the advantages of purchasing Zoom?

Kristine Kelly (to All - Entire Audience): 2:21 PM: Good info, Lindsey!

Erin Cary (to All - Entire Audience): 2:21 PM: Google Meet is pretty awesome, using it a lot

LIV MUSEL-STALOCH (to All - Entire Audience): 2:21 PM: Google Meet is great. It lets you record sessions (saved to your Drive)

Sarah Pradt (to All - Entire Audience): 2:21 PM: Zoom's free version suggests that you upgrade to paid, because maybe people will not be able to call in from a cell phone, only log in from a computer.

See Moua-Leske (to All - Entire Audience): 2:21 PM: Zoom is very easy to use! Anyone can easily share their screen and the toolbar is simple and easy to use.

ADAM KIEFFER (to All - Entire Audience): 2:21 PM: Roz, compare Zoom features and pricing here:

LIV MUSEL-STALOCH (to All - Entire Audience): 2:21 PM: Google Meet also allows screen share

ADAM KIEFFER (to All - Entire Audience): 2:21 PM: https://zoom.us/pricing

Jill Dechaine (to All - Entire Audience): 2:21 PM: We got a msg from our school district not to use this platform. The primary reason is that it can expose student information. Google Meets is preferred.

See Moua-Leske (to All - Entire Audience): 2:22 PM: The paid Zoom is $99/year.

Mag Patridge (to All - Entire Audience): 2:23 PM: Susan, is Meet the same as Hangouts?

Elizabeth Bennett (to All - Entire Audience): 2:23 PM: Yes, you can use Meet with non-G Suite users!

ALISON WILCOX (to All - Entire Audience): 2:25 PM: Note: You do NOT need a Google account to get invited and onto a Google Meet. However, it is best to copy and paste the meeting details into the body of an email and send it directly to students so they have the link to click and join the Google Meet instead of inviting through the website or app (it connects through meet.google.com, no app needed). Otherwise, the invite to students with non-gmail accounts can sometimes go to a spam.

Kirsten Fuglseth (to All - Entire Audience): 2:25 PM: Thank you, Elizabeth Bennett! I will look into this as an option.

Carol Nowak (to All - Entire Audience): 2:25 PM: Thanks, Everyone!

Patsy Egan (to All - Entire Audience): 2:25 PM: If staff haven't done CCRS or ACES Foundations, for example, these are both available online, too, via ATLAS website.

Kirsten Fuglseth (to All - Entire Audience): 2:25 PM: Thank you, Alison Wilcox!

ALISON WILCOX (to All - Entire Audience): 2:26 PM: That was from Chelsea in Hopkins!

Shane Mueller (to All - Entire Audience): 2:26 PM: Great suggestion, Patsy!

Elizabeth Bennett (to All - Entire Audience): 2:26 PM: Yes, thanks Alison! No Meet app needed on a computer, but the app IS needed on a phone or tablet.

Erin Cary (to All - Entire Audience): 2:26 PM: Seems like a great time to actually collaborate with colleagues on curriculum development which we so rarely get to at length

Kristine Kelly (to All - Entire Audience): 2:26 PM: ABE Foundations too!

Patsy Egan (to All - Entire Audience): 2:26 PM: Also ABE Foundations is available online, as well as a host of resources online worth browsing.

Theresa Sladek (to All - Entire Audience): 2:26 PM: And incorporating digital literacy into ABE instruction

Elizabeth Bennett (to All - Entire Audience): 2:26 PM: I shared some slides on Meet in the Schoology group that might be helpful.
ALISON WILCOX (to All - Entire Audience): 2:27 PM: You don't need the Meet app loaded on your phone in order for it to work.
Patsy Egan (to All - Entire Audience): 2:27 PM: MN ABE PD YouTube channel, tool https://www.youtube.com/channel/UClUrz7VTkCnXb_7wPfh2U1w
Astrid Liden (to All - Entire Audience): 2:27 PM: MN Adult Ed PD Calendar: https://mnpdcatalog.org/
Susan Wetenkamp-Brandt (to All - Entire Audience): 2:28 PM: It's also a great time to build out a course on an LMS such as Schoology or Google Classroom@
Elizabeth Bennett (to All - Entire Audience): 2:28 PM: Hmmm, I couldn't use Meet on my phone without installing the app.
Andy Albee (to All - Entire Audience): 2:28 PM: Google Hangouts is changing to Google meet and Google chat
Patsy Egan (to All - Entire Audience): 2:29 PM: All our Adult Career Pathways course design tools are available at ATLAS as well, if anyone is considering building/strengthening their ACP offerings in the coming months.
Laura Malott (to All - Entire Audience): 2:29 PM: We will need to play around with all the suggestions to find what works best for each
Linda Keller (to All - Entire Audience): 2:29 PM: Thanks, Andy, for sharing that Good language info! I learned that this week as well.
Kathleen Moriarty (to All - Entire Audience): 2:30 PM: Is there a way to collect stdt contact hrs from Google Classroom offerings? (for future reference)
Kristine Kelly (to All - Entire Audience): 2:30 PM: I know that Shari Brunes and Jill Rivard posted examples of Google Class on the new Schoology group.
Shari Brunes (to All - Entire Audience): 2:30 PM: We shared our program websites, not classes! Sorry.
Susan Wetenkamp-Brandt (to All - Entire Audience): 2:30 PM: Kathleen - not at this time, but that could potentially change in the future.
Kristine Kelly (to All - Entire Audience): 2:31 PM: But super useful!
jill rivard (to All - Entire Audience): 2:31 PM: Mine is a google site - I wanted to do google classroom but found out that students needed a school email to use google classroom.
Emily Watts (to All - Entire Audience): 2:31 PM: We have had a number of teachers pre-teaching Google Meets to students this week in prep for online classes starting next week. We even have students finishing their homework early!
Kathleen Moriarty (to All - Entire Audience): 2:32 PM: Jill- our stdt just need a gmail to be able to use Google Classroom (not district domain)
jill rivard (to All - Entire Audience): 2:32 PM: Yes, I was using my rwps.org email so then has to be in that domain to login.
Burgen Young (to All - Entire Audience): 2:33 PM: Beginning level teachers were having difficult contacting students and had a lot of luck by using WhatsApp. Many students were already familiar with it. They use WhatsApp to share their class websites and other resources.
Emily Watts (to All - Entire Audience): 2:33 PM: We are also collecting some "best practices" for the future - like making sure that all of our teachers use Remind in "regular" times. And that we get emails for all of our students.
jill rivard (to All - Entire Audience): 2:33 PM: We are working with county jail to do some skype classes during shutdown
Julie Fietek (to All - Entire Audience): 2:33 PM: So fun to see the learning happening with Staff who are becoming Google Hangout and Meet savvy!! :) Finding learners are very receptive to doing online learning.
Christine Wytaske (to All - Entire Audience): 2:33 PM: I think there is something in the G suite admin settings for schools. Whoever the school admin is, decides if school email or any gmail can access Google Classroom.
Erin Cary (to All - Entire Audience): 2:34 PM: Collaborating with another ABE site and community partner on a potentially awesome grant!
Patsy Egan (to All - Entire Audience): 2:34 PM: Andrea Echelberger and I are working on collecting
ways to keep in touch/deliver instruction to lower level ESL, a particularly difficult group to reach right now. Stay tuned to that thread in the COVID19 schoology site.

Shari Brunes (to All - Entire Audience): 2:35 PM: I created a Google Form for teachers to share notes about the contact they make with students. It's great to have all responses/action items in one spreadsheet. Happy to share, if anyone wants to use.

Sarah Pradt (to All - Entire Audience): 2:35 PM: Closer collaboration with social service provider side of Hmong American Partnership! SNAP, Census outreach, unemployment insurance, MNSure!

Emily Watts (to All - Entire Audience): 2:35 PM: We just got work that all of our QCOMP work will continue online for the month of April. So people will be doing their PLT work online

Patsy Egan (to All - Entire Audience): 2:35 PM: And post your good ideas, some things there already for lower level ESL!

Kathryn Linder (to All - Entire Audience): 2:35 PM: Is anyone concerned that students will really enjoy working from home and this will negatively affect our attendance once school resumes?

Andy Albee (to All - Entire Audience): 2:36 PM: Even without further closures, students may be reluctant to return and DL can help cover that

Julie Dincau (to All - Entire Audience): 2:36 PM: Good work Sarah! Students will need all the supports they have access to.

Susan Aut (to All - Entire Audience): 2:37 PM: That is my concern.

Laura Malott (to All - Entire Audience): 2:37 PM: Share anything and everything. Thanks. Having trouble hearing back from students.

ADAM KIEFFER (to All - Entire Audience): 2:37 PM: Does she enjoy working from home? :)

ALISON WILCOX (to All - Entire Audience): 2:38 PM: It may be nice to offer a hybrid type class in the future!

Mark Erickson (to All - Entire Audience): 2:38 PM: Our Consortium Manager is seeing if we can help our students with the 2020 Census somehow. - Mark E.

Susan Wetenkamp-Brandt (to All - Entire Audience): 2:38 PM: Alison - yes, hopefully working across both modalities will become normal!

chelse ritland (to All - Entire Audience): 2:38 PM: The majority of our classes have seen very little change in the number of students participating in Google Meet classes this week. Very exciting to see students connecting! This could open doors for the future where classes are both in-person and live streamed for those to participate synchronously off site

Shari Brunes (to All - Entire Audience): 2:39 PM: Lots of private messages to share Google Form for teachers to use. I will also post in Schoology group. https://docs.google.com/forms/d/e/1FAIpQLSf4YpcgcROunWwK5v6WwS9JGlImSCxpqDMS_LCsTkZOd4ramA/viewform?usp=sf_link

Elizabeth Gedatus Garcia (to All - Entire Audience): 2:39 PM: This could also be a chance to reconnect with people who haven't been able to come to class due to being home with children or losing transportation. Hopefully we can keep them on going forward as we build distance ed, as Todd mentioned.

See Moua-Leske (to All - Entire Audience): 2:39 PM: I think this would open the window to be able to serve students who we couldn't serve before due to scheduling, distance, and transportation challenges.

Laura Malott (to All - Entire Audience): 2:39 PM: I agree

Deb Hall (to All - Entire Audience): 2:40 PM: Great point Chelsea!

Patsy Egan (to All - Entire Audience): 2:40 PM: Lots of info on free wifi services in the Community Resources section of the COVID19 site

Emily Watts (to All - Entire Audience): 2:40 PM: I can share a list of free wifi opportunities in the community - including xfinity.

Patsy Egan (to All - Entire Audience): 2:41 PM: Emily - add to the COVID site - if there's info that's not already there? Thanks!

Linda Keller (to All - Entire Audience): 2:41 PM: Wow - great form, Shari! Thanks for sharing the link!

Terrisa Fisher (to All - Entire Audience): 2:41 PM: I agree that a lot of students will like online classes, but struggling learners or learners with limited technical skills will still be best served in person classes.

LIV MUSEL-STALOCH (to All - Entire Audience): 2:41 PM: Thanks, Shari!

Sara Chlebik (to All - Entire Audience): 2:41 PM: Many students are required to come to class as well (DEED, etc.)
Laura Malott (to All - Entire Audience): 2:41 PM: Susan, I let our students know to take of family. They are contacting us when they are ready to resume learning.
ALISON WILCOX (to All - Entire Audience): 2:42 PM: Thank you for the link, Shari!
Patsy Egan (to All - Entire Audience): 2:42 PM: Adam K from Hubbs Ctr also shared his google site for ESL on the COVID site. Lots of good examples out there!
Gloria Cazanacli (to All - Entire Audience): 2:43 PM: Thanks for all these ideas.
Susan Wetenkamp-Brandt (to All - Entire Audience): 2:43 PM: Access code is: 4PQM-9XNK-FRF7X
Patsy Egan (to All - Entire Audience): 2:43 PM: Code: 4PQM-9XNK-FRF7X
Patsy Egan (to All - Entire Audience): 2:44 PM: Susan - jinx!
Sara Sundberg (to All - Entire Audience): 2:44 PM: Schoology does not permit me to join the group.
Laura Malott (to All - Entire Audience): 2:44 PM: Great minds think alike.
Roz Johnson (to All - Entire Audience): 2:44 PM: CLUES has been partnering for the past year with Gogyup Inc. as a pilot for use of their online literacy program with ESL learners. We are working with Ned at Gogyup to integrate this into our digital learning.
Shari Brunes (to All - Entire Audience): 2:45 PM: And to think we used to only meet quarterly! This collaboration is so helpful. Thanks, everyone!
Sarah Pradt (to All - Entire Audience): 2:45 PM: I've been in contact with Gogyup, having seen your post. Might have possibilities.
Andy Albee (to All - Entire Audience): 2:45 PM: Shari, the link takes us to the fillable form. Could you send the file that we can make a copy of so that it can be modified for our program?
Sara Chlebik (to All - Entire Audience): 2:45 PM: ?
Mag Patridge (to All - Entire Audience): 2:45 PM: How quickly are the webinar recordings available? Not available that morning.
Emily Watts (to All - Entire Audience): 2:45 PM: Can someone please remind me where the phone instructions are in the schoology site? Google Voice, etc?
Shari Brunes (to All - Entire Audience): 2:46 PM: @Andy sure! As soon as I figure out how to do that. Look for it in the Schoology COVID group.
Mag Patridge (to All - Entire Audience): 2:46 PM: How quickly are the webinar recordings available? Not available that morning.
Sarah Pradt (to All - Entire Audience): 2:46 PM: Can we save these chats, like in Zoom?
Patsy Egan (to All - Entire Audience): 2:46 PM: Also - this week's newsletter on Tuesday (MN ABE Connect) was entirely COVID-response focused. Please take the time to look!
Pam Moriarity (to All - Entire Audience): 2:46 PM: Elk River Staff created a Google Doc called DL Student Tracking Log. It takes the place of the Log sheet that we have in each student folder It is in our shared drive so all teachers who contact learners can make notes.
Jill Dechaine (to All - Entire Audience): 2:46 PM: Please post.
Emily Watts (to All - Entire Audience): 2:47 PM: That would be really helpful!
Andy Albee (to All - Entire Audience): 2:47 PM: If you go to the form, you should be able to share the form through drive.
Traci Pederson (to All - Entire Audience): 2:47 PM: That link doesn't work in the handouts on here for the next meeting
Deb Hall (to All - Entire Audience): 2:47 PM: Thank you.
Sarah Pradt (to All - Entire Audience): 2:47 PM: thank you, everyone!
Sheilah Seaberg (to All - Entire Audience): 2:47 PM: Thanks.
Shane Mueller (to All - Entire Audience): 2:47 PM: Thank you everyone!
Emily Watts (to All - Entire Audience): 2:47 PM: Can someone send the link to the phone instructions? I would like to share them with a team member!
Linda Keller (to All - Entire Audience): 2:47 PM: thanks everyone!
Traci Pederson (to All - Entire Audience): 2:48 PM: Thank you!

Gail Rutan (to All - Entire Audience): 2:49 PM: Thank you very much! Stay well!
Emily Watts (to All - Entire Audience): 2:49 PM: Someone mentioned that they had instructions for using Google Voice
Emily Watts (to All - Entire Audience): 2:50 PM: I thought they said they were in the schoology by I cannot find them there :)
Emily Watts (to All - Entire Audience): 2:50 PM: Or another third party way to get a hold of students via phone :)
Elizabeth Bennett (to All - Entire Audience): 2:50 PM: Here's a link: https://support.google.com/voice/answer/115061?co=GENIE.Platform%3DDesktop&hl=en&authuser=2
Emily Watts (to All - Entire Audience): 2:50 PM: Thank you!
