

## Affordable Website Options

Below are some resources for free or low-cost website platforms you can use if you do not currently have a program website. These sites were selected for ease of use and affordability.

There are many more options available online. You may also be able to work with your organization or district to customize a page on an existing platform.

Site	Description	Ease of use (out of 4)	Cost
 <p>Google Sites</p>	<p><b>Pros:</b> easy to use; free; formats well on desktop &amp; mobile</p> <p><b>Cons:</b> not very flexible formatting; URLs are very long, includes “sites.google.com/site/”</p>		Free
 <p>Wix</p>	<p><b>Pros:</b> easy to use, free/affordable, fast to set up; very structured; formats well on desktop &amp; mobile</p> <p><b>Cons:</b> extremely difficult to adjust formatting; free URL includes “wixsite” in URL</p>		Free or upgrade to \$14-\$49 per month <i>(upgrade includes customizable URL)</i>
 <p>weebly</p>	<p><b>Pros:</b> easy to use, free/affordable, very structured</p> <p><b>Cons:</b> not very flexible formatting; free URL includes “weebly”; formatting not always good on mobile devices</p>		Free or upgrade to \$6-\$26 per month <i>(upgrade includes customizable URL)</i>
